

**Dear Channel Partners,**

The last two years have been challenging due to the Covid-19 pandemic. But now we are ready to go back to business in full swing. As we do so, we want to thank you, our channel partners, for your constant support and trust in our brand. Because of you, we were able to safely fulfil the electrical needs of millions of Indians in the peak of the pandemic .

As a gesture of our gratitude for your faith and confidence in the Goldmedal brand, we are thrilled to announce the Variable Discount component for our wires and cables range. This amazing offer will be available in the upcoming months and is subjected to following terms and conditions.

We hope that you continue to support us and that our association only grows in the times to come. Please place your orders now to avail the benefits of this offer!
